

## Eisinger is Proud to Represent Torit Dust Collectors

Is renown worldwide as the finest quality dust collector on the market. These cabinets are designed for maximum dust collection with very well sealed components. Durable motor and fan assembly will give years of trouble-free use. Don't settle for imitations, the gold loss is not worth it!

### Torit Cartridge Style Dust Collectors

These units, particularly suitable for grinding collection, incorporate easy to change, one piece cartridge filters, an integral automatic shake motor cleans the filter automatically when the unit is shut down. Same durable construction as our Torit Bag Style units. Silencer included with unit.
